About Us

PT. Sistem Prima Solusindo (Prime Consulting) merupakan Perusahaan yang bergerak di bidang Jasa Consulting, Training, Auditing, Sertifikasi ISO terkait Sistem Manajemen Mutu, lingkungan, K3 dan Pendampingan Implementasi Sistem. Kami melayani Paket Jasa Konsultasi, Pelatihan, Audit dan Sertifikat ISO untuk semua jenis kategori bisnis baik Manufaktur, General Contractor, Oil and Gas, Jasa, Trading, Instansi, Rumah Sakit, Pendidikan, UMKM dan lainnya hingga pengembangan Sistem Manajemen setelah Sertifikasi.

Konsultan dan Trainer kami adalah praktisi yang profesional dan expert dibidangnya, sudah berpengalaman di berbagai instansi, perusahaan maupun perkantoran di Indonesia. Tim kami juga berpengalaman dalam kegiatan Audit / Assessment dari Lembaga Sertifikasi Swasta maupun Lembaga Akreditasi Nasional (Komite Akreditasi Nasional).

Kami juga membantu mengurus jasa perizinan terkait Lingkungan (AMDAL, UKL, UPL), dokumen Sertifikasi Laik Fungsi (SLF) dan juga membantu mengurus ataupun menyusun dokumen/mendevlopment yang berkaitan dengan Sertifikasi SNI dari Lembaga Komite Akreditasi Nasional (KAN).

Kami memberikan pelayanan tidak hanya sebatas Konsultasi Sistem Manajemen, Pelatihan, Implementasi, Audit, Sertifikasi hingga pengembangan Sistem Manajemen setelah Sertifikasi, tetapi kami juga turut serta membangun karakter Sumber Daya Manusia (SDM), sehingga bisa meningkatkan Kinerja Karyawan melalui Implementasi Sistem Manajemen yang efektif dan efisien.

Prime Consulting sebagai jasa Konsultan dan Pelatihan dapat membantu perusahaan anda untuk memahami dan mempelajari langkah-langkah yang harus dilakukan dalam menerapkan ISO melalui Pelatihan yang kami selenggarakan. Prime Consulting dapat menyelenggarakan Pelatihan di seluruh Indonesia (Public Training, Online Training dan In House Training). Dengan mengikuti Pelatihan, Anda akan memahami pentingnya Sistem Manajemen untuk Organisasi dari Perusahaan serta manfaatnya.

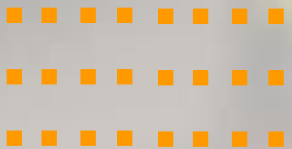

Our Method

Metodologi Program yang kami gunakan adalah dengan 6 Siklus Pengembangan Sistem, yang telah terbukti dan menjadi standard dalam Konsultasi Pengembangan Sistem dan Pelatihan yang diberikan kepada klien-klien kami.

Keuntungan Metode ini adalah bukan hanya mendeliver Teori, namun juga contoh praktik-praktik dilapangan yang pernah dilakukan, disesuaikan dengan Bisnis Proses dari masing-masing klien.

- Lecture : Sistem Pembelajaran atau Pelatihan dikelas maupun diluar ruang dengan materi yang sudah dikembangkan dan disesuaikan dengan Bisnis Proses Perusahaan.
- Learning : Sistem Pembelajaran dan Konsultasi dengan menggali kemampuan dan Pembelajaran mandiri agar dapat menggali Potensi yang ada.
- Group Discussion : Melakukan diskusi secara kelompok agar dihasilkan brainstorming antar team dan masing-masing dapat mengemukakan pendapatnya.
- Best Practise : Berdasarkan Implementasi dilapangan yang telah terbukti keberhasilannya dan contoh-contoh dari Perusahaan atau Bisnis yang memiliki kesamaan Proses.
- Case Study : Berdasarkan contoh-contoh Real dilapangan untuk memberikan gambaran secara jelas dan penggunaan video yang berkaitan.
- Sharing : Sharing dan bertukar pikiran untuk mendapatkan pembelajaran yang terbaik tanpa menghilangkan intinya.
